

SFC/CCEC AGENDA: February 2, 2017

General Updates:

- City Attorney nuisance abatement for Natalia’s Carry Out. Temporary injunction closes Natalia’s until end of February; however, main hearing is at the end of February at which time, Natalia’s may be shut down for a year.
- GRA funding

Discussion Items:

- First concepts of Research, Practice and Policy – this will be showcased on the second floor in the drinking fountain area. The goal is to tell the story of our Partnership with four themes that will rotate every 6 months. The themes are:
 - Learning Through Play
 - High Quality Teachers
 - Data Driven Instruction
 - Print, Rich Environment – a bit more discussion needs to occur before this one is initiated. There may be a tie to state funding for print in homes and the community to have the alignment to policy.
- Posters are being produced for the A. Sophie Rogers School that highlight practice. One suggestion is to tie these to our Professional Development series. Sent message to Kristen.
- Independent Studies – T&L – Kristin reached out to Faltas, but has not had any luck in setting up a time to discuss. LJ not in attendance, but will put back on the agenda for our next meeting on the 16th.
