## Love Your Library

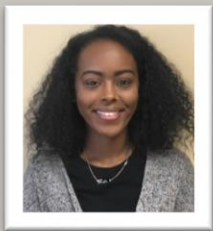

Our SFC families are able to check out books from the school library. To check out books you can use your child's check-in/-out number from the front desk, just like a library card from the public library. When you are finished with your books, feed them to the book monster who keeps them safe until they are checked-in. You can stop in the library to play a game, spend time with your child before heading home, or use one of the computers. Kari Welch, our librarian, will be out on maternity leave beginning sometime in mid-September. While she is away, our helpful staff will be able to assist you in all things library.

## Family Services Team

The school offers a variety of supports for families. In addition to the opportunity to work directly with our Couples and Family Therapy student, **Katie Van Fossen**, a Couples and Family Therapy Clinic will be offered on site in the front offices every Tuesday afternoon from 3-5:00 p.m. If you would like to make an appointment, please email her at [vanfossen.49@osu.edu](mailto:vanfossen.49@osu.edu) or call 614-247-7007.

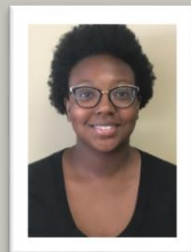

We also are supported with three Ohio State social work students (below) who are available to work with families on issues such as: job or education opportunities, housing and utilities, medical appointments and forms, kindergarten enrollment and holiday resources.
